1.) Justification for the rent subsidy / presentation of need:

Please tell us about your situation, justify/present your need for financial support and let us know what impact the subsidy would have for you.

Please note:

Please address your individual situation, not general circumstances such as inflation, high-energy costs and tuition fee for international students as those matter to all international students. Thank you!

Min. 200 - max. 500 words

2.) Your Extracurricular involvement (= mandatory for Rent Subsidy)

Please tell us about the extracurricular involvement/ special activitie(s) you have completed (what have you done, when and what did you experience).

HFT Students:

Extracurricular and/or engagement at HFT Stuttgart can be activity in the IO Buddy Program, active cooperation in international activities/events at HFT (active role, not just taking part), special activities in the study program, such as semester speaker, tutoring activity, etc..

Exchange students:

Extracurricular and/or special engagement to your home university will be accepted. The prerequisite is an active role, not mere participation

Not accepted can be participation in voluntary courses, workshops, fairs, competitions etc.

Please note: If you can't proof any extracurricular involvement yet you unfortunately can't apply for Rent Subsidy yet!
